GOVERNOR SIGNS FIRST TWO EDUCATION REFORM BILLS INTO LAW

(BOISE) – Governor C. L. "Butch" Otter issued the following statement today after signing Senate Bills 1108 and 1110 into law, completing the first two-thirds of his effort with Superintendent of Public Instruction Tom Luna to enact their *Students Come First* proposals for Idaho public schools.

"I had the privilege of signing into law today two bills that have been a long time coming, have been publicly vetted and debated to an unprecedented degree, and will improve the ability of our public schools to fulfill their mission of educating Idaho's children. But our work is not done. We are committed to continuing our work with lawmakers and stakeholders on legislation to provide students and educators with the technology and flexibility they need to be successful in an increasingly competitive world."
