

Industrial Energy Efficiency Summit March 16 - 17, 2011

Registration now open

Governor C.L. "Butch" Otter, Chairman of the Western Governors' Association, will host an Industrial Energy Efficiency Summit in Boise, Idaho on March 16 - 17. The summit will focus on success stories within the commercial and industrial sectors, including utility energy programs that produce meaningful results and state energy policies that promote efficiency.

Attendees will participate in breakout sessions to discuss programs that work and regulations that promote energy efficiency. The results and recommendations from these breakout sessions will be compiled in a report the governors will discuss at WGA's Annual Meeting this June in Coeur d'Alene, Idaho.

Agenda and Registration

A draft [agenda](#) for the summit is posted on WGA's Web site and will be updated periodically. The meeting is scheduled to begin at 1 p.m. on March 16 and conclude by 3:30 p.m. on March 17. There is a \$50 registration fee to attend. Click here to [register online](#) in advance.
