200 responses to media inquiries

9,600 MILES TRAVELED

76 APPOINTMENTS

Directors,
Agency Heads,
Boards,
Commissions,
Judges

INVESTING IN EDUCATION

- **Increased starting teacher pay** to \$40,000 per year, recruiting young people into the profession and incentivizing young teachers to stay in their careers
- **Doubled funding for literacy programs** in Idaho to improve students' reading abilities by third grade
- Increased funds available to Idaho students through **Opportunity Scholarships**
- Idaho designated its **first four STEM schools**

REDUCING REGULATORY BURDENS

- **Red Tape Reduction Act** created through Executive Order requiring state agencies to eliminate or scale back two rules for every new one they want to implement
- **Licensing Freedom Act of 2019** created through Executive Order puts in place sunrise and sunset procedures for future occupational licensing laws
- Made it easier for **veterans, military members and their families** to obtain occupational licenses

CREATING ECONOMIC PROSPERITY

- Asserted Idaho's sovereignty and promoted good working relationships with federal government in **meetings with President Trump and Secretaries of Health & Human Services, Commerce, Labor, EPA, Energy, and Interior**
- Stood with President Trump and asserted Idaho's position in global economy by **supporting U.S-Mexico-Canada Agreement**
- Opened up **new trade opportunities with other countries** through meetings with foreign diplomats from Japan, Taiwan, Mexico, and Micronesia
- Maintained predictable levels of public land use in **sage grouse** habitat on Idaho rangelands

CHAMPIONING AFFORDABLE HEALTH CARE

- **Fully funded implementation of Medicaid Expansion** - Proposition 2 - while pursuing options to allow working Idahoans choice in their healthcare
- **Diversified health insurance options** available for Idahoans priced out of Obamacare
- Improved **access to life-saving medication** for Idahoans suffering from opioid misuse
- Idaho will bring on **19 new medical residents and fellows address the shortage of physicians in the state** and continue the implementation of the 10-year Graduate Medical Education plan

CONFIDENCE IN STATE GOVERNMENT

- Idaho's **conservative, balanced budget** includes a projected \$174 million remaining at the end of Fiscal Year 2020
- Enhanced cybersecurity and protection of citizens' data by **consolidating and modernizing IT functions** across eight state agencies
- Idaho became the **first state to deploy a technology tool to safeguard taxpayer money** from waste, fraud, and abuse
