Proclamation Policy:

1. Proclamations are limited to non-commercial, non-profit efforts, which have definite local activities in Idaho. In other words, national organizations, groups, or activities that desire a proclamation must have an in-state sponsor to be considered by the Governor’s Office.
2. Your request must be submitted three (3) weeks prior to the date you wish to receive the document.
3. Recurring requests must be filed yearly. Proclamations do not have a standing order.
4. If you feel the media may have an interest in your proclamation, it is your responsibility to contact media outlets.
5. A proclamation does not indicate or imply the Governor’s support for any given issue or project.
6. Not all requests for proclamations can be issued due to the volume and nature of the requests.
7. No proclamation or portion of a proclamation may be used as part of a paid advertisement without written permission from the Governor’s Office.
8. The Governor reserves the right to deny, without comment, any proclamation request received by his office.
