

BRAD LITTLE
GOVERNOR

April 8, 2024

The Honorable Mike Moyle
Speaker of the House
Idaho Legislature
Hand Delivered

Dear Speaker,

I hereby advise you that I have signed on April 8, 2024, and transmitted to the Office of the Secretary of State, with my approval, the following House bill to wit:

HOUSE BILL 722

within the time prescribed by law, the same having arrived in the Office of the Governor at the hour of 9:20 a.m. on April 3, 2024.

With the signing of this legislation and the funding of Idaho LAUNCH, we are taking a tremendous step toward achieving my top goal as Governor: to make Idaho the place where we all can have the opportunity to thrive, where our children and grandchildren choose to stay, and for the ones who have left choose to return.

With LAUNCH, Idaho is taking extraordinary steps to prepare our young people for a lifetime of prosperity. I am certain LAUNCH will be looked upon by future generations, employers, high schoolers, and legislators as the cornerstone in our long-term success as a state, a visionary project that took courage to support. This initiative, alongside our historic investments in education, infrastructure, and tax relief, is a clear example of the extraordinary things we can achieve when we put the needs of Idahoans first. Our work has established Idaho as one of the most forward-thinking states in the nation for workforce development and post-secondary education.

I thank my legislative partners who have championed LAUNCH from the start. While the road has not always been easy, with LAUNCH we have made Idaho a better place for generations to come.

Sincerely,

A handwritten signature in blue ink, reading "Brad Little".

Governor of Idaho
