

BRAD LITTLE
GOVERNOR

April 8, 2026

The Honorable Phil McGrane
Secretary of State

Dear Mr. Secretary,

I hereby advise you that I have returned without my approval, disapproved, and vetoed the following Senate Bill, to wit:

SENATE BILL 1359a

within the time prescribed by law, the same having arrived in the Office of the Governor at the hour of 6:46 p.m. on April 1, 2026.

The intent of this legislation is commendable. Virtual currency kiosks have become a preferred tool for scammers targeting Idaho seniors, and protecting our most vulnerable citizens from financial exploitation remains a priority.

However, Senate Bill 1359a contains critical drafting deficiencies that would undermine its own purpose. Some definitions are defined too broadly or left ambiguous, creating uncertainty for regulators and regulated parties alike. Without clearer definitions, consistent and fair enforcement will be difficult to achieve.

I encourage the Legislature and stakeholders to work with the Idaho Department of Finance to revisit this bill with tighter definitions, clear enforcement standards, and a realistic implementation framework. Idaho's seniors deserve a law that works — one that gives regulators the tools they need to stop fraud while giving businesses clear rules to follow.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brad Little".

Governor of Idaho
