

BRAD LITTLE
GOVERNOR

March 26, 2020

The Honorable Janice McGeachin
President of the Senate
Idaho State Senate
Statehouse Mail

Dear Madam President:

I hereby advise you that I have signed on March 26, 2020 and transmitted to the Office of the Secretary of State, with my approval, the following Senate Bill, to wit:

S 1350

Adding a fiscal impact statement to all statewide ballot initiatives will increase the information available to voters and ensure they are able to make an informed decision about statewide citizen initiatives. In most cases, the Division of Financial Management will be able to prepare a fiscal impact with their existing staff resources. Depending on the volume and complexity of initiatives in any given year, it is possible that outside experts or actuarial firms may need to be occasionally engaged. In such rare cases, we look forward to working with the Legislature on a one-time supplemental appropriation to ensure an appropriate fiscal impact statement can be delivered within the parameters of this legislation.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brad Little".
