EXECUTIVE ORDER NO. 2020-08-A

State Capitol
Boise

ESTABLISHING IDAHO REBOUND CASH GRANTS FOR SMALL BUSINESSES

WHEREAS, I issued a proclamation on March 13, 2020, declaring a state of emergency in the State of Idaho pursuant to Chapter 10, Title 46, Idaho Code, due to the occurrence and imminent threat to public health and safety arising from the effects of the 2019 novel coronavirus (COVID-19); and

WHEREAS, I issued a proclamation on March 25, 2020, declaring a state of extreme emergency in the State of Idaho pursuant to Chapter 6, Title 46, Idaho Code, due to the increasing occurrence and threat to public health and safety arising from the effects of COVID19; and

WHEREAS, each of those Proclamations remain in effect today; and

WHEREAS, Congress has passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act (P.L. 116-136) which provided the State of Idaho \$1.25 billion through the Coronavirus Relief Fund for qualifying expenses; and

WHEREAS, on April 30, 2020, the Board of Examiners approved, pursuant to Idaho Code § 67-3516(2), non-cognizable spending authority for the Governor's Office in fund 0345 for the \$1.25 billion for the time period of March 1, 2020 through December 30, 2020; and

WHEREAS, on April 22, 2020, the U.S. Treasury issued guidance for state, territorial, local, and tribal governments on the proper uses of the Coronavirus Relief Fund; and

WHEREAS, the U.S. Treasury stated that the funds may be used for expenditures incurred to respond to second-order effects of the emergency, such as by providing economic support to those suffering from employment or business interruptions due to COVID-19-related business closures; and

WHEREAS, the U.S. Treasury guidance outlined a non-exclusive list of eligible expenditures, including expenditures related to the provision of grants to small businesses to reimburse the costs of business interruption caused by required closures; and

WHEREAS, in Executive Order 2020-07, I established the COVID-19 Financial Advisory Committee (CFAC) to make recommendations to me for prioritizing the use of Coronavirus Relief Funds; and

WHEREAS, CFAC convened on May 1, 2020, and determined that, in its judgment, the expenditure of Coronavirus Relief Funds on small business interruption grants is necessary to respond to the COVID-19 pandemic and made unanimous recommendations to me on the expenditure of \$300 million with eligibility criteria targeted to the U.S. Treasury guidance; and

WHEREAS, on May 4, 2020, I provided a letter to CFAC, agreeing with and approving its proposed funding allocations, including a proposal for \$300 million for small business interruption grants, because providing support to these businesses is necessary for the protection of life and property in Idaho and crucial to Idaho's recovery from the COVID-19 pandemic;

WHEREAS, on May 5, 2020, I issued Executive Order No. 2020-08 creating the Idaho Rebound cash grant and setting certain eligibility criteria for Idaho small business;

WHEREAS, on May 6, 2020, I sent a letter to CFAC directing that the Idaho Rebound grant not be available to private entities that directly lobby federal or state officials or to entities that exist for the purpose of advancing partisan political activities. I did so to ensure Coronavirus Relief Funds are used for the purposes intended—to help Idaho small businesses whose operations were interrupted by the COVID-19 pandemic—and to avoid the appearance of impropriety; and

WHEREAS, these Idaho Rebound grants will also now be available to certain self-employed Idaho residents because providing support to these Idahoans is also necessary for the protection of life and property in Idaho and crucial to Idaho's recovery from the COVID-19 pandemic.

NOW, THEREFORE, I, Brad Little, Governor of the State of Idaho, by virtue of the authority vested in me by the Constitution and laws of this state, including but not limited to Idaho Code §§ 46-601 and 67-3516(2), do hereby order:
